ORDER

On August 11, 2021, The Attorney General of the Commonwealth of Kentucky, through the Office of Rate Intervention (Attorney General) filed a motion for an extension of time in which to file a supplemental data request regarding Columbia Gas of Kentucky, Inc.'s (Columbia Kentucky) response to the Attorney General's First Request for Information, Item 197. According to the procedural schedule established by Order on June 16, 2021, supplemental requests for information in this proceeding were to be filed no later than August 11, 2021. The Attorney General is the only intervenor in this proceeding.

In support of the Motion for an extension of time, the Attorney General states that the parties anticipate that Columbia Kentucky will file an amended response to the Attorney General's First Request, Item 197, but that the amended response will be filed after August 11, 2021. The Attorney General seeks one additional day following Columbia Kentucky's filing of an amended response to the Attorney General's First Request, Item 197 in which to file a supplemental request for information based upon

Columbia Kentucky's amended response. The Attorney General's motion indicates Columbia Kentucky has no objection to the motion.

Having considered the motion and being otherwise sufficiently advised, the Commission finds that the Attorney General's request is reasonable under the circumstances, does not prejudice any other party, and should be granted.

IT IS THEREFORE ORDERED that the Attorney General's motion for an extension of time as described herein is granted.
